Good afternoon,

We understand that many organizations may be experiencing a high volume of calls. It is important that you contact your local health departments (LHD) if you have any questions. We have attached resources that may help you answer some of the questions that you may be receiving. DSHS PHR 11 has an activated call center where concerns can be addressed for the general public, local governments, healthcare providers, and health department case reporting.

For any questions or concerns, please contact your local health department (LHD).
